Date: Thursday 25th February 2021 – 3.00pm to 4.00pm

Venue: Charles Campbell College, 3 Campbell Road, Campbelltown –
meet at reception or via zoom

Cost Free

Workshop Theme:

How should we mark tests? The debate of marks vs rubric.

There is often a divide between teachers regarding whether marking tests should be done with marks or using a rubric. Attendees will have the opportunity to share their beliefs and hear the views of others.

For seating and catering, or zoom invitation purposes, please register by Friday 19th February, 2021
