## Term 3 Mathematics Book Club

**Facilitator:** Jarrad Strain, Head of Mathematics, Cardijn College

**Date:** Thursday 30<sup>th</sup> September 2021 – 2.00pm to end of discussion

**Venue:** MASA office, Building D, 80 Payneham Road, Stepney

**Cost** Free

**Workshop Theme:**

This is a chance to get together with like-minded people in a relaxing way during the term break and talk about maths. *You have a whole term to pre-read the text.* The chosen book is Jordan Ellenberg's new book about Geometry: *Shape*. It is available in paperback and audiobook and should be in your public library catalogue, soon.

His last book was a winner and we think this would be a good one.

Refreshments will be served.

**For seating and catering, please register by Monday 27<sup>th</sup> June, 2021**
