**Date: Monday 17<sup>th</sup> January 2022 – 2pm**

**Venue: MASA office, Building D, 80 Payneham Road, Stepney (or by zoom)**

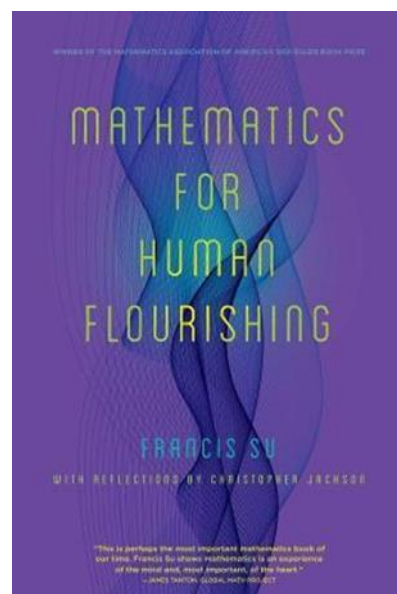

**Cost Free**

### Workshop Theme:

Our next text to discuss: **Mathematics for Human Flourishing** by Prof Francis Su.

It can be purchased for < \$30 on Book Depository:

[Mathematics for Human Flourishing : Francis Su : 9780300258516 \(bookdepository.com\)](https://www.bookdepository.com/Mathematics-for-Human-Flourishing-Francis-Su/9780300258516)

This is a thought provoking and relevant book with lots of praise from different sources. It seems to be both accessible and applicable for maths educators in Primary, Secondary and Tertiary institutions. There is even a companion website with some suggested discussion points: [Discussion & Resources | Mathematics for Human Flourishing \(francissu.com\)](https://www.francissu.com/discussion-resources). And for those with limited time, there is a speech by the author that covers the main themes of the book: [Mathematics for Human Flourishing - Francis Su, Ph.D. - YouTube](https://www.youtube.com/watch?v=...)

**For seating and catering, please register by Wednesday 12<sup>th</sup> January, 2022**
